

Castle ruins | Heidelberg

## German for Adults | Summer Intensive Courses

### did deutsch-institut Heidelberg

*It was a summer evening, just twenty I had seen, when I kissed ruby lips and hair of golden sheen. The night was blue and blissful, the Neckar flowed pristine, it was then I knew, it was then I knew, what all to me did mean: I lost my heart in Heidelberg...* These are the words of the famous Heidelberg song written by Friedrich Vesely in 1925. And it is still true. The city of Heidelberg is a city of almost *magical* attraction for all – not just lovers. The small, twisted alleys of the old town, the romantic ruins of the castle, the street cafes and students' pubs – if you study with us in Heidelberg, you will learn to speak the German language and to enjoy life in Germany. And you will loose your heart for Heidelberg – that's all inclusive!
