German for Juniors | Residence Courses

did deutsch-institut Hintersee/Alps

Our Alps Residence at lake Hintersee is embedded in a fascinating natural landscape located directly on the waterside and at the foot of Germany's third highest mountain – the Hochkalter mountain with its 2.607 meter summit. The nearby village of Ramsau with a population of 1.800 can be reached by bus within 10 minutes. In the village ice cream parlors, little shops and cafés can be visited. If you continue the bus ride for another 20 minutes, the world famous Königssee and the health resort and city of Berchtesgaden will be reached. In Berchtesgaden there is much to discover and to experience: for example a gondola ride to an alp, a journey to the underground world of a salt mine and a boat trip on lake Königssee.
