

## Chinese Courses in Shanghai

Shanghai is the economic centre of China, more westernised than Beijing and is the link between east and west with its large influence from Europe. It is known as the Paris of the east and also known for its exciting nightlife. The school is located centrally within walking distance to bars, restaurants and public transport. The school is fully equipped with spacious classrooms, cafe corner and internet area. In the same complex there is also a full size Gymnasium and swimming pool.
